COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Mail Stop Issue Fee  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, Virginia 22313-1450

Sir:

Pursuant to 37 C.F.R. § 1.104(e) and Manual of Patent Examining Procedure § 1302.14, applicant hereby submits comments on the Statement of Reasons for Allowance which accompanied the October 18, 2007, Notice of Allowability in the above-identified patent application.

In the Statement of Reasons for Allowance, the U.S. Patent and Trademark Office states:

Although the prior art discloses human protein kinases, the Examiner has found no teaching or suggestion in the prior art directed to the polypeptide of SEQ ID NO:1 or a protein kinase which comprises (1) amino acids 83-342 and amino acids 450-550 of SEQ ID NO:1, or (2) amino acids 52-556 of SEQ ID NO:1. Therefore, claims 1-3, 5-

- 2 -

8, 16, 18-20, 22-28, 30-32, directed to (A) variants of the polypeptide of SEQ ID NO:1 wherein said variants (1) comprise amino acids 83-342 and amino acids 450-550 of SEQ ID NO:1, (2) comprise amino acids 52-556 of SEQ ID NO:1, (3) differ from the polypeptide of SEQ ID NO:1 solely by 1-4 conservative amino acid substitutions, (4) differ from the polypeptide of (2) solely by 1-4 conservative amino acid substitutions, and (B) methods of use of the polypeptides of (A) are allowable over the prior art of record.

Applicant does not necessarily agree with the characterization of the allowed claims or the reasons for allowance set forth in this statement. Moreover, to the extent that this statement suggests that the pending claims are allowable solely for the reasons set forth therein, applicant disagrees with any such suggestion.

Respectfully submitted,

January 11, 2008  
Date
